LoadNet

What is LoadNet?

LoadNet is the CBH Group's free, secure online service that allows you to track deliveries, payments and transfer grain online. It is a powerful tool that makes your business interactions with the CBH Group streamlined and efficient.

What are the advantages for my business?

- LoadNet allows you to submit your Warehousing and Suspense load transfer requests online, and to check their progress
- Details of all your deliveries are available 24 hours a day
- By using LoadNet, you can identify quality issues between loads and adjust harvesting programs accordingly
- LoadNet also allows for the fast identification of incorrect load information to avoid payment delays
- Grain Pool and AgraCorp Recipient Created Tax Invoices (RCTIs) can be viewed and downloaded anytime
- RCTI data can be downloaded in a format that is compatible with both Excel or Agrimaster
- LoadNet makes it easy to update property details and submit estimate forms to make your transactions with the CBH Group more efficient
